

Amaze facilitates the greatest and most predictable direct savings in these ways:

- 1. Reducing emergency room visits by more than 50%**
- 2. Eliminating more than half of all urgent care visits**
- 3. Intercepting many unnecessary specialist visits for conditions that Amaze treats**
- 4. Reducing two or more specialist visits to a single visit**
- 5. Guiding our members toward independent imaging centers and surgery centers**
- 6. Guiding our members away from costly hospital-based labs to independent labs**
- 7. Providing prompt direct mental health treatment, reducing costs charged to the company plan**
- 8. Providing wellness coaching to manage chronic medical conditions**

The savings you experience through Amaze is directly proportional to your utilization of the service.

Our experienced team of medical providers and patient advocates guide our members toward the best care at the lowest cost by taking the time to listen to each member and understand their individual situation.
